BUSINESS MATTERS

The Americ of the Werester Steel Works Boston, Out 6 he adjourned meeting of the Wordster Steel Works was held to-day and the levestigating complitude appointed at a previous meeting mide to port. The committee employed as expert ecountant who found the indebted case 641,315 of which 65,000 is amound the total book assets are 6187,447. The committee says the property is of such a sature that it must be baselled in a very indictions magnet in order to realize anything like what ought to be read to the saturation of such a valuable plant. The correct appraisers my that for operating purposes the plant was machinery are well worth 6940,000 but to be sold out (secence) it would not realize more han \$253,000.
